Science starters
Did humans live with dinosaurs? Does the moon disappear in the day? Kids love to know the answers to life’s mysteries but there are a few facts they often get wrong in the name of science. Find out more:
There will be NO WEDNESDAY MORNING WALKING GROUP on Wednesday!
Students in 2Y wrote about their StartSmart visit last Friday. Well done, Sophie and Ramin!

Last Friday 2Y went to the school library for a special visit from Commonwealth Bank startsmart program.

We found clues. We also talked about keeping money safe and to speed for your needs and wait for your wants.

I really had a great time. It was so much fun. I loved last Friday.

Fantastic work.

Lost Friday we visit from the Commonwealth Bank startsmart. The Commonwealth bank startsmart was at the school library. 2Y visited the library to do the Commonwealth bank startsmart.

We found clues about gobbles. We learnt this song & speed for your needs and wait for your wants. We learnt about keeping money safe and coins and notes too.

We enjoyed it, it was so much fun. I loved it.

Great paragraphs Ramin. Good work!
