Family Occupation & Education Index (FOEI)
To ensure that our school’s FOEI reflects our school community, a high level of completeness and accuracy of parental background information is vital. Funding for Sylvania Public School through the FOEI will be based on students’ parental education and occupation information which will be extracted from existing school enrolment records and this update. PLEASE RETURN THE FOEI UPDATE FORM ASAP. Help us ensure that we receive funding for our students based on accurate information. All of the information supplied by parents/carers is strictly confidential.
