School Attendance
The N.S.W. Department of Education and Communities Home School Liaison Officer visits regularly to perform an audit on the school attendance rolls. Thank you to those parent/carers who are ensuring their children are sent to school each day it is open for instruction or other activity and providing written notice when they are not attending. Parents (including carers) may be prosecuted if children of compulsory school age have recurring numbers of unjustified absences from school. In future, if your child is absent from school or arriving late, please be sure to notify the school and let us know the reason for your child’s absence or lateness. Please note, parents/carers must sign in all students at the office when they arrive late.

From the Office ~
Please update the emergency contact details that were sent home last week, if necessary! Family statements and accounts from the office have also been sent home. Your prompt attention to any outstanding fees would be greatly appreciated.

Dance Groups
A reminder that Dance Group fees for Term 2 are now overdue! The Junior Dance Group has successfully auditioned to perform at the Sutherland Shire Schools Music Festival and costumes are being organised. If your child is not going to continue with their dance commitment, please advise Mrs Ellison as soon as possible.
