Tree Maintenance & Disruptions to Parking
As you are aware, the Department of Education has undertaken extensive tree Maintenance and Safety Audits as a result of tragic events earlier this year. As a result of the completed arborist’s report and works to be completed at Sylvania Public School, vehicular access via the Ellis Street Gate will not be possible until the mandated tree removal and pruning are completed. Parents and students are asked to enter school via the Clare Street gate, or to park in the street on Evelyn Street North or Ellis Street and walk into the school grounds via the Ellis Street Gate.
We apologise for any inconvenience, but are confident that this short term inconvenience is for the long term safety and well-being of all of the members of our school community.

Semester 1 Reports & Interviews
Semester One reports will be sent home with the students on Friday, 20th June at the end of the day. Interview preference time notes have been sent home. Parents are asked to be prompt and adhere to the ten minute interview schedule.

Disco
Special thanks to the P & C for a wonderful school Disco last Friday. The children had a wonderful time and enjoyed the dancing, sausages and DJing, all provided by P & C volunteers.

No Challenge Club
There will be no Challenge Club next week. Challenge Club will resume in Term 3.

The SRC are holding a CRAZY HAIR Day on Friday 27 June! Please donate a gold coin to take part in this fundraiser.

Crazy Hair Day is an annual fundraising event organised by Cystic Fibrosis NSW. It's a great way to raise awareness and funds for those living with cystic fibrosis.

Remember anything goes on Crazy Hair Day: teased, coloured, gelled or twisted; wigs and scarves, punk or just plain messy!

JELLY BABY GUESSING COMPETITION
The winner of the guessing competition was Isabella F.
The money raised will help support research into Diabetes.

Chickenpox (Varicella) –  
Parents and students should be aware that there has been a confirmed case of Chickenpox here at school. People with the virus are infectious from one to two days before the rash appears and up to 6 days after the blisters have formed crusts. There is a vaccine to prevent contracting this virus.

What impressive factual writing and illustrations about pandas from Chris and Ebony in 1E. Well done!
A fabulous time was had by everyone at the Disco! Thank you P & C volunteers!
